CREDIT CARD POLICY and AUTHORISATION FORM

We need your authorisation to accept credit card payments. If you pay in person at one of our branches you will need to bring your card with you and provide the security PIN information as requested by the eftpos machine process.

If you want to undertake manual credit card transactions we need authorisation from the card holder, and positive identification and addresses of the card holder and the person accepting the goods.

You can complete and return the form below or send us an email with the last four digits of the card and the relevant attachments. Please do not include other details of the card in the email text.

AUTHORISATION

I hereby authorise payment of quote/order/invoice No: _____

or Account no: _____ for the amount of \$.....

plus the card fee inc GST (2.2% - Visa/Mastercard or 3.85% -Amex).

Card holders Name:..... Phone Contact:

Card Number: _____ Exp: __ / __ CCV: ___

Card Holders Signature: Date:

Please include a scan/photo of the card (both sides showing the CCV) and photo id with signature of the card holder (ie driver's licence with current address). Scan and return the completed form so we can process your payment.

[insert images of your card – both the front and the back]

[insert an image of the card holder's photo id including their regular signature]
